Description of Fields in the Catalog

Item	Description
Title	Disc title
Year Released	Theatrical release year or debut of the material if not a theatrical program. If the disc contains multiple titles released over several years, then a year range will be provided.
Publication Specifications	
Publisher	Name of the publisher or distributor.
Label or Studio	Name of the owner of the source material or the brand or label designated by the publisher
Catalog	Disc catalog number assigned by the publisher
UPC	Universal Product Code (bar code)
Date Issued	Date disc was issued for retail sale
Retail Price	Retail price of disc as recommended by the distributor
Version	A designation to aid in the identification of how a title might differ from other titles that include the same movie or program. This is sometimes printed on the cover.
Picture Specifications	
Color	Image in Color or Black & White or Both
Video Format	The video recording format on the disc: Constant Angular Velocity (CAV) a.k.a. Standard Play, Constant Linear Velocity (CLV) a.k.a. Extended Play or Both (CAV/CLV).
Aspect Ratio	Ratio of the width to height of the visible image
Audio Specifications	
Audio	Audio encoding: Analog Mono, Analog Stereo, Digital Mono, or Digital Stereo
Surround	Surround or multi-channel encoding: Dolby Surround, Ultra Stereo, Chace Surround, Matrixed Surround or Surround (if unknown type) Surround may be present for analog, PCM, or compressed digital

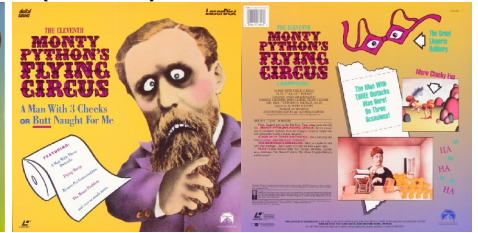

AC-3 & DTS Encoding	Dolby Digital DTS
CX	Noise reduction provided on analog tracks.
CC/Q	Encoded with Closed Captioning
Mastering Specifications	
Minutes	Total running time of the program in minutes including multiple movies or features and supplementary material if in motion picture format
Packaging	Type of retail package
Sides	The number of sides with video material. The number of discs can be determined by dividing the number of sides by two and adding a disc for an odd number of sides
THX	THX Certified Laserdisc Media.
Supplements	
Trailers	Indicates if the laser disc contains one or more theatrical trailers, teaser trailers, or television promos
Featurette	In addition to the main feature, a supplemental documentary about the making of the feature is included. The featurette may also consist of interviews with the cast and crew of the production. The featurette may include background or historical information about the main feature.
Audio Commentary	Indicates if the laser disc contains a separate audio commentary track
